On December 15, 2018 – CFIA is recalling certain cauliflower, red leaf lettuce and green leaf lettuce produced by Adam Bros. Farming Inc. of Santa Maria, California, United States (US) from the marketplace due to possible E. coli O157:H7 contamination. Consumers should not consume the recalled product described above.

As our customer health and safety is our number one priority, we have been working closely with our vendor and the Canadian Food Inspection Agency (CFIA) and **can confirm that Giant Tiger does not carry the affected product listed above.**
